Fresher

Recent Computer Science graduate with a strong foundation in software development and a passion for learning new technologies. Seeking an entry-level position to utilize my skills in development and contribute to innovative projects.

PROJECTS

College Alumni Platform. Developed a comprehensive platform to connect alumni with college and each other using React.js, MongoDB, and Firebase authentication. Fostering a community for networking, mentorship, and engagement. Over 2,000 alumni have registered

Personal Portfolio. I developed a personal portfolio to exhibit and promote my work, achievements, skills and experiences. You can visit my site to see my project works and details. ([Try it here](https://niranjanacharya.site))

EXTRA-CURRICULAR ACTIVITIES

- Participated and ranked among top 6 in CIPHER BATTLE-2.0 Hackathon held at Channabasaveshwara institute of technology ,Gubbi , Tumkuru . Presenting our project to the judges was nerve-wracking but rewarding, as they appreciated our idea's impact, Attending the hackathon was a fun experience.
- Participated in the State Level Inter-Collegiate IT Fest 'PINNACLE-2k23' held at St.Philomena College Puttur, Karnataka. I took charge of Coding contest and had a fun competition
